THE FACE OF GOD IN JESUS:

A FRESH LOOK AT THE STORIES OF JESUS'
DEATH AND RESURRECTION IN THE
GOSPELS OF LUKE AND MARK

A seminar with
Fr Michael Trainor

Saturday, May 1, 2010
Christ Church Cathedral
Harbour Room
2 Smith Street, Darwin

The stories of Jesus' death in the gospels invite us to reflect on the meaning of suffering and death in our world. We are confronted with our own suffering and struggles and others; we are constantly reminded of the suffering in our world, the disasters and disease encountered by others. The Gospels of Mark and Luke invite us to encounter the face of God revealed to us in the story of Jesus' death and resurrection and how that face shines upon us."

Christ Church Cathedral is committed to a strongly articulated inclusive, progressive and thinking response to the Gospel. The on-going series of seminars and guest speakers held at and sponsored by the Cathedral is part of this commitment.

The Cathedral Bookshop is another part of our aim to provide access to a broad range of contemporary theological and spiritual writers. We can order most titles and try and keep our prices well below the recommended retail price. The Bookshop is open Monday-Friday 9.00am-12.00pm or by appointment.

The Cathedral also has a number of **resources available for loan** to assist churches and individuals explore what a progressive faith might mean for them.

The full range of resources from *Living the Questions* is available (see the LTQ website for details - www.livingthequestions.com)

We also have multiple copies (sets of 10) of Marcus Borg's *Reading the Bible Again For the First Time* and *Jesus: Uncovering the Life...* along with DVD based study materials to go with each.

Other DVDs available:

Canticle to the Cosmos with Brian Swimme

The Future of Christianity with Fr Thomas Keating and Ken Wilbur

Beyond Theology with Karen Armstrong, Joan Chittester, Jack Spong and others

Spiritual Literacy: reading the sacred in everyday life (6 discs) with Frederic and Mary Ann Brussat

We also have a 35' diameter chartres-style **labyrinth** available for hire for those groups interested in exploring the ancient spiritual practice of walking the labyrinth.
