

BLOG FOR PARIS COP 21 - Number 1

This is the first of an occasional series of blogs to go on this Facebook Page as myself (the Dean) and Fr Nigel prepare for Paris. Thanks to the assistance of Alex and other staff of Natasha Griggs MP Fr Nigel's Australian Visa has been granted, which means that Fr Nigel can transit through Australia and pick up his French Visa on the way.

So on Tuesday I head off to Sydney where I will meet Fr Nigel, and then to London on Wednesday. More later!
